BETWEEN  
THE OFFICE OF THE UNDER SECRETARY OF DEFENSE FOR PERSONNEL AND READINESS,  
U.S. DEPARTMENT OF DEFENSE AND  
SKILLBRIDGE PROVIDER  
MOU NUMBER**

This Memorandum of Understanding (MOU) is between the Office of the Under Secretary of Defense for Personnel and Readiness (USD(P&R)) of the U.S. Department of Defense (DoD) and \_\_\_\_\_ hereinafter referred to collectively as the “Parties.”

1. **BACKGROUND:** The DoD SkillBridge Program provides a structured pathway for eligible and authorized Service members to participate in job training and employment skills training, including apprenticeships and internships, within 180 days of separation from active-duty service. The Military-Civilian Transition Office (MCTO), under the authority of the USD(P&R), executes a Memorandum of Understanding (MOU) with public and private organizations who then host SkillBridge programs in accordance with the rules, parameters, procedures, and responsibilities outlined in the MOU.
2. **AUTHORITIES:**
  - 2.1. DoD Instruction (DoDI) 1322.29, “Job Training, Employment Skills Training, Apprenticeships, and Internships (JTEST-AI) for Eligible Service members,” 24 January 2014
  - 2.2. DoDI 1332.35, “Transition Assistance Program (TAP) For Military Personnel,” 26 September 2019
  - 2.3. DoDI 1344.07, “Personal Commercial Solicitation on DoD Installations,” 30 March 2006
  - 2.4. DoDI 1000.15, “Procedures and Support for Non-Federal Entities Authorized to Operate on DoD Installations,” 24 October 2008
  - 2.5. 51 U.S. Code § 20113 – Powers of the Administration in performance of functions
  - 2.6. 10 U.S. Code § 1143 - Employment assistance
3. **PURPOSE:** This MOU establishes rules, parameters, procedures, and responsibilities for the SkillBridge Program parties.
4. **UNDERSTANDING OF THE PARTIES:**
  - 4.1 The MCTO will:
    - 4.1.1 Support authorized DoD SkillBridge organizations access on installations under the Department's authority in accordance with installation access protocol.
    - 4.1.2 Provide public information to Service members about the availability, locations, and training opportunities of DoD SkillBridge programs and appropriate resource information on authorized DoD SkillBridge organizations.
    - 4.1.3 Enforce policy that ensures participating Military Departments validate Service members’ eligibility to participate and that they have received approval to participate from their first field grade commander, (O-4 and above), in the Service member's chain of command, who is authorized to impose non-judicial punishment under 10 U.S.C. 815, Article 15, also known as the Uniform Code of Military Justice (UCMJ).

4.1.4 Institute policy for Military Departments to authorize designated SkillBridge training locations as the place of duty for participating Service members with the understanding that a member's participation in the program may be terminated at any time, based on mission requirements, the member's conduct, and/or other Service needs.

4.1.5 Conduct a U.S. State business records authentication check. Authorized SkillBridge organizations must remain in good standing for this MOU to remain valid.

4.1.6 Verify DoD SkillBridge providers are established as a business for a minimum of three years (exceptions: federal agencies, state and local government); associated training cost (if any) are not imposed on the Service member by the authorized SkillBridge organization prior to determination of approval; and training plans are reviewed and approved for SkillBridge opportunities prior to being publicly shared.

4.1.7 Vet authorized SkillBridge programs offering opportunities with direct initial salary of \$52,000 per year or greater or full-time weekly 40-hour wage of \$25 per hour or greater. Commission-based opportunities are not exempt from the direct initial salary or hourly wage floor. Commission-based only opportunities are not authorized. Grant salary exceptions only for public service positions (i.e., teachers, police officers, firefighters) with federal or state government, county, or municipal agencies.

4.1.8 Resolve Military Departments escalated formal complaints to uphold the integrity and equitable operation of the DoD SkillBridge program.

4.2 The SkillBridge authorized organization \_\_\_\_\_ will:

4.2.1 Accept at least the minimum number of SkillBridge candidates annually based on organizational size. Minimum requirement:

- Small business organization with 200 or fewer employees –
  - at least 1 candidate per year;
- Midsize business organizations with more than 200, but less than 400 employees –
  - at least 2 candidates per year;
- Midsize Business organizations with more than 400, but less than 600 employees –
  - at least 3 candidates per year; and
- Large business organizations with more than 600, but less than 1000 employees –
  - at least 4 candidates per year;
- Large business organizations with over 1000 employees –
  - at least 5 candidates per year.

4.2.2 Ensure a minimum of suitable, available full-time positions equal to or exceeding the number of participating service members at any given time.

4.2.3 Provide eligible Service members with on-the-job training (OJT), employment skills training, pre-apprenticeship, apprenticeship, or internship opportunities to enrich professional development experiences with competence-based employment skills, knowledge, or abilities directly linked to job opportunities in the civilian sector and meet the below objectives:

4.2.4 Improve the Service member's competency levels (i.e., knowledge, skills, and abilities) and broaden the range of their competencies by building upon the occupational skills acquired during military service.

4.2.5 Improve or provide skills unrelated to the occupational skills acquired during military service but do relate to the successful performance of a civilian occupation identified by the Service member as their post-transition goal for civilian employment upon separation.

4.2.6 Refine or enhance skills acquired during military service by redirecting skills that were acquired initially with a focus on the military mission toward related skills that are required to successfully perform occupations in the civilian workforce to increase the post-employment opportunities for transitioning Service members.

4.2.7 Ensure employment skills training, pre-apprenticeship, apprenticeship, or internship opportunities are not offered as virtual asynchronous only; online opportunities must include virtual synchronous (i.e., live person-led) training and/or a hybrid with in-person sessions. Asynchronous training (if any) will be less than 50% of the length of the training.

4.2.8 Screen and select Service member candidates for participation based on self-initiated interest; ensure candidates have their Military Department's authorization before starting the SkillBridge program.

4.2.9 Ensure that outside of subsistence, lodging, and home-station to program location travel costs, participating Service members do not incur direct financial costs directly or indirectly related to program administration and delivery (e.g., training fees, training materials, equipment, uniforms, certifications, licensure). At the sole discretion of the Service member, program administration and delivery costs can or may be covered by the Service member's VA GI Bill benefits when said costs qualify for the same and are specifically and clearly identified by the SkillBridge provider in their SkillBridge application. At their sole discretion, the SkillBridge provider may subsidize or reimburse any or all subsistence, lodging, and home-station to program location travel costs if said subsidy or reimbursement is offered to all similar training participants without regard to military affiliation and specifically and clearly identified by the SkillBridge provider in their SkillBridge application.

4.2.10 Ensure the program prepares Service members for roles or opportunities commensurate with the Service member's skills and education and reflective of the qualifications and experience level of the member, offering positions with direct initial salary of \$52,000 per year or greater or full-time weekly 40-hour wage of \$25 per hour or greater.

4.2.11 Ensure Service members who successfully complete the SkillBridge program have a high probability of immediate post-service employment. High probability of employment is defined as 75% or higher of Service members who successfully complete the program receive a qualifying offer of immediate post-service employment with an 85% or higher offer rate as the Key Performance Indicator goal.

4.2.12 Not provide compensation nor gifts to Service members for services performed while participating in the program.

4.2.13 Coordinate with MCTO on matters of participant compliance with other restrictions on acceptance of compensation and gifts, and other ethics rules applicable to Service members as expressed in the criminal conflict of interest statutes (18 U.S.C. §§ 201-209), the Standards of Conduct for Employees of the Executive Branch (5 C.F.R. 2635), and the Joint Ethics Regulation (15 May 2024).

4.2.14 Ensure opportunity does not create a conflict of interest for the Service member, as defined in DoDI 1332.35 or other guidance provided by the Military Departments.

4.2.15 Ensure all information provided on the DoD SkillBridge website, including the status of active recruitment, details about training programs, and points of contact, is kept up to date and accurately reflects the current opportunities and conditions of their SkillBridge offerings.

4.2.16 Submit a request for approval of any new elements or programs to add to their DoD SkillBridge offerings, accompanied by a detailed training plan for each change. This plan should outline the objectives, structure, duration, and expected outcomes of the training, ensuring alignment with the SkillBridge program's goals and standards.

4.2.17 Appoint a representative to maintain continuing liaison with MCTO, the Military Departments, and military installation SkillBridge managers.

4.2.18 Assume overall responsibility for the execution of its SkillBridge program, both on and off participating military installations, as applicable.

4.2.19 Provide a structured and safe training environment for Service members that fully complies with all applicable labor and safety laws, regulations, and standards to ensure a secure and productive learning experience.

4.2.20 Notify the appropriate Military Department, SkillBridge installation liaison, or command approving authority immediately upon discovery of any attendance issues, disciplinary concerns, or injuries relating to a Service member who is a SkillBridge participant.

4.2.21 Conduct a program feedback survey with Service member SkillBridge program participants and work with designated Military Department installation representatives to address any program concerns and, if necessary, to provide final outcomes to USD(P&R).

4.2.22 Upon request, provide MCTO outcome data on the salary, hire and retention rates to include percentage of immediate hire employment offers.

4.2.23 At a minimum, provide program participation data at 90-, and 180-day post-program employment or at the request of MCTO. At a minimum, data will include the number of participants accepted into the program, their Military Service association, the number of participants who complete the program, the number of participants offered qualifying employment, the number of participants who accepted qualifying employment, the industry of the employment offer, and their starting salary offer.

4.2.24 Not suggest or imply official DoD or Military Department sanction or endorsement of their organization's products or services because of participation in the SkillBridge program or otherwise.

4.2.25 Inform the respective Installation Public Affairs Office (PAO) when any local or regional media coverage is expected relating to the SkillBridge program and MCTO when national media coverage is expected. Include all materials intended for use in connection with such coverage in the notification to the respective Installation PAO or MCTO in the case of national media coverage. This requirement does not include communications conducted solely through their own marketing or social media platforms.

4.2.26 Only use the DoD SkillBridge name and logo as an approved SkillBridge provider in conjunction with DoD authorized provider programs. Approved use includes provider informing audiences of their participation in the program on websites and resource material used to support the DoD SkillBridge participants. The provider will include a disclaimer in each case to avoid the appearance of DoD endorsement of their products or services. All other proposed uses must be approved by MCTO. The DoD SkillBridge name and logo may not be used for commercial use, such as for-profit activities or advertisement of business, services, or products, or to imply endorsement of the provider by the DoD.

4.3 DoD SkillBridge authorized Third Party Providers (i.e., organizations facilitating SkillBridge opportunities (compensated or not) on behalf of another line of business within their agency or with external employers) \_\_\_\_\_ will:

4.3.1 Manage and coordinate SkillBridge opportunities on behalf of employers or providers (e.g., federal, state, or private sector business) who are in good standing with U.S. state oversight.

4.3.2 Maintain regular communication with Service members who are SkillBridge program participants and their host employers.

4.3.3 Report, list, and account for all employers being hosted under the organizations umbrella.

4.3.4 Ensure that every employer or organization sponsored, has separate and distinct DoD SkillBridge MOU for MCTO accountability.
